...Respondent

**Appeal Case No.2174 of 2022**

**ORDER:**

The appellant, through an RTI application dated 18.03.2021 has sought following information from the office of EO-MC Jaito.

The appellant was not provided with the information after which the appellant filed a first appeal before the First Appellate Authority on 02.06.2021, which did not decide on the appeal.

The case has come up for hearing today through video conferencing at DAC Faridkot. Due to a network problem, the hearing could not take place.

The PIO vide email has informed that the information/reply has been provided/sent to the appellant in the appeal case No.2175 of 2022, which has been filed by the appellant for seeking the same information and is fixed for hearing on 02.11.2022.

Having gone through the record, the Commission observes that the appellant has also filed a similar appeal case No.2175 of 2022 for seeking the same information, whereas in, a certificate, the appellant has undertaken that no other appeal case has been filed and is pending with any other State Information Commissioner which is a clear misuse of the provisions of the RTI Act. Hence the appeal is rejected.

The case is **closed**.
