Appeal Case No. 3829 of 2020
Cisco Webex Proceedings

Present: Appellant: Absent

Respondent: Sh. Rajneesh Garg (PIO) 9815553933

ORDER

1. The Appellant/Complainant filed appeal/complaint case in the Commission dated 04.12.2020. Accordingly, the case is fixed for today.

FACTS:

Appellant has sought Information pertaining to the name of all the employees along with their father names belonging to SC category.

The PIO vide his letter dated **03.08.2020** conveyed the reply to the Appellant wherein the deemed PIO had stated that the Appellant may be asked to specify the documents required by him. However, **no response of applicant was made on this**. Dissatisfied by the response of the PIO, the appellant approached the FAA. The Appellate Authority also disposed of the Appellant's appeal vide his order dated 29.09.2020 stating that sought information is not specific as status of employees has not mentioned by appellant i.e. Regular, Contractual, outsources, teaching, non- teaching employees.

2. Observation and Decision:

Appellant, is absent today without any prior intimation to the Commission regarding his exemption. Respondent PIO is present for the hearing.

On perusal of the RTI application it is noted that the appellant had himself submitted a vague and ambiguous query with regard to the above points which were replied by the respondent to the best of their abilities.

In fact, **section 6(1) of the RTI Act** very clearly states that the information seeker has to specify the particulars of the information sought by him or her. In view of these observations, I find that the respondent is not obliged to provide a response where the **information** sought is **vague** and not specific.

Appeal Case No. 3829 of 2020
Cisco Webex Proceedings

On perusal of the available records, the Commission also observed that in several queries raised in the RTI application, the Appellant did not seek any specific information but desired all information which was vague and ambiguous.

The appellant is advised that for specific information sought by him, he should file another RTI application.

The appeal is disposed off accordingly, with the above directions/advice.

3. Copies of this decision be sent to the parties through post.
