CC.No. 1012 of 2021

(31. We uphold the said contention and do not find any error in the impugned judgment of the High Court whereby it has been held that the Commissioner while entertaining a complaint under Section 18 of the said Act has no jurisdiction to pass an order providing for access to the information).

As such, since the complainant has approached the Commission under the provision of Section 18 of the RTI Act, 2005, no directions for providing further information can be given by the Commission.

6. Since there is an alternative and efficacious remedy of first appeal available to the Complainant under Section 19(1) of the RTI Act, 2005, which has not been availed in the instant case and the First Appellate Authority has not had the occasion to review the decision of the PIO, as envisaged under the RTI Act by passing a detailed well reasoned speaking order.

7. The instant matter is now remanded back to the First Appellate Authority. The commission hereby directs the FAA to treat the copy of the complaint (copy enclosed) as the first appeal and decide the matter in accordance with the provisions of the RTI Act after giving all concerned parties an opportunity to be heard. He is directed to give an early date to hear the complainant and decide the matter. In case the complainant is not satisfied with the decision of the First Appellate Authority (FAA), he is at liberty to file second appeal with the Punjab State Information Commission in accordance with the provisions of the RTI Act 2005.

8. If, however, the complainant does not feel satisfied with the decision of the First Appellate Authority, he will be at liberty to file a Second Appeal before the Commission under Section 19(3) of the RTI Act, 2005.

9. In view of the observations noted above, the instant case is **disposed of**. Copies of this decision be sent to the parties **through registered post**.
