Sh. Davinder Jaura, (XEN)

ORDER

1. The RTI application is dated 26.03.2021 vide which the appellant has sought information as enumerated in his RTI application. First appeal was filed with the First Appellate Authority (hereinafter FAA) on 24.04.2021 and second appeal was filed in the Commission on 21.06.2021 under Section 19 of the Right to Information Act, 2005 (hereinafter RTI Act). Notice of hearing was issued to the parties for hearing through CISCO WEBEX on 3.3.2022 at 11.00 a.m. i.e. today.
2. In today's hearing, representative of the appellant, Sh. Sanjeev Goyal states that incomplete information has been supplied to him in connection with point no. 6.
3. On this, respondent, Sh. Sandeep Kataria states that he is concerned respondent PIO in connection with point no. 1, 3, 7 and 11, which has already been supplied to the appellant.
4. Respondent, Sh. Davinder Jaura states that point no. 9 and 10 relate with his branch. He added that respondent PIO in connection with point no. 2 and 6 is on election duty, so he is unable to attend today's hearing. He also intimates the Commission that in connection with point no. 2 information comprising 72 pages had already been sent to the appellant on 31.03.2021.
5. After discussing with both the parties and examining the case file, the Bench, as per observations made above, is of the view that the appellant cannot seek information on single RTI application from multiple authorities. A full Bench of State Information Commission, Punjab has in Complaint Case No. 2903 of 2011 decided on 13.01.2012, ruled as under:-

“We hold that under Section (3) of the Act *ibid*, the legal obligation of a PIO who receives a request for information under Section 6(1) of the Act is limited to transfer this request to only one public authority that holds the information. This obligation does not extend to transfer to multiple authorities.

Appeal Case No.: 2851 of 2021
Heard through CISCO Webex

6. The Bench advises the appellant to seek information by filing RTI application before a specific public authority who has its separate PIO in future. There is no such provision under the RTI Act to collect the information from the different offices of a public authority and then to compile and supply to the appellant.
7. The appellant is advised to visit the respondent's office on Monday i.e. 07.03.2022 to collect the information in connection with point no. 6. Further, the Commission does not see any further course of action required in this case and the case stands **disposed of/closed**. Copy of the order be sent to the parties.
