I have gone through the RTI application dated 28.08.2019. The applicant/appellant sought information in the form of questions and he has put up queries to the PIO, which is not permissible under the RTI Act, 2005. The same matter was involved in Appeal Case no.4547 of 2019, which was decided by the present Bench vide Order dated 30.01.2020.

So, after hearing the PIO and after going through the case file I am of the view that the applicant is filing again and again the RTI applications in the form of questions and queries and the regarding the room which is given to the Senior Citizens Council in the court complex, Phagwara. Hence the present appeal case does not lie and **disposed of and closed** accordingly.
