**ORDER**

The appellant has sought for an information pertaining to various expenditures incurred by the Gram Panchayat of Village Issapur Landa, Block Sherpur Tehsil Dhuri, Distt. Sangrur. Besides, details of some other allied activities have also been asked. Despite the notice and directions issued by the DDPO, Sangrur, the PIO in the O/o BDPO, Sherpur, has failed to file any reply or pass on any information to the appellant. The Commission takes serious view of the same. Apparently, the respondents have contravened the provision of the Section 7(1) of the Act and rendered himself for penal consequences.

The BDPO, Sherpur is hereby issued a show cause notice under section 20(1) of the Right to Information Act as to why a penalty at the rate of Rs. 250/- per day, subject to a maximum of Rs. 25000/- be not imposed upon him for the delay in the supply of

The following order was passed by this forum on 13.06.2018:

*“A communication has been received from the PIO, O/o SGPC, Amritsar, wherein it has been conveyed that the information has been sent to the complainant. The complainant who is present in the video conference says that the information relating to Point No. 3 has been intentionally withheld by them. The respondents are directed to revert on the submission thus made by the complainant and file a written statement in the shape of an affidavit supporting their contention.”*

*The PIO, SGPC has intimated that all the available record has been supplied to the appellant. They have requested to adjourn the case as they are unable to attend the hearing because of their appearance before the High Court of Sikkim at Gangtok. The appellant has communicated that information as per Point No. 3 is still awaited.*

The case has come up today. The respondent in writing has communicated that no record papers vis-à-vis his application are available with them. The detailed information with reference to his original application dated 16.06.2017 has already been supplied. The complainant on the other hand is alluding to some papers on the bases of which a resolution was passed by SGPC.

**ORDER**

**The case has been heard through video conferencing.**

The Commission has observed on 13.06.2018 as follows.

*“Heard.*

*It transpires that the information mostly relates to the personnel matters of an official of the Nagar Council, Jagraon. The respondents have already provided him the certified copies of his qualifications and history of postings. Besides, they are directed to provide him the salary and other allowances he is drawing from his employer.”*

The case has come up today. The appellant is absent. The Commission has gone through the contents of the file. The perusal of the original application suggests that the information sought is totally personal in nature of a third party which does not have any relation with public activity or interest. It is further noted that the official under consideration was employed as a Class IV employee on compassionate ground and has been elevated into clerical cadre after putting in many years of service. It is with regard to this that the information is being sought. The Commission feels that its revelation shall amount to unwarranted invasion of the privacy of an individual. The appellant has failed to satisfy the Commission as to how it is going to serve a public cause. In the scenario, the Commission is not inclined to allow the revelation of the information which attracts exemption under Section 8(1) (j) of the RTI Act, 2005. The appeal is **disposed**.

The following order was passed by the Commission on 13.06.2018:

*“The complainant is not present. The matter has been referred to the Company Commandant of District Home Guards, Ludhiana by his headquarter. He is directed to send a written reply to the complainant before the next date of hearing under intimation to the Commission.”*

The case has come up today. The complainant is absent. In compliance with the orders passed of the Commission, the respondents have sent a detailed reply. From its perusal, it transpires that the information sought for pertains to one Sh. Rajinder Kumar, who is a volunteer of Home Guards and is not on their regular rolls. The Punjab Civil Services Rules ipso facto do not apply on him. The information sought relates to his personal affairs and its disclosure shall amount to unwarranted invasion of his privacy. It has also been alleged that the complainant is seeking the information simply to harass him out of malice and some personal grudges. The case has come up today. In spite of the express directions of the court, the respondents have maintained a studied silence. The Commission takes a strong exception to such a callous attitude.

Heard.

The information sought pertains to a period of 11 years. Apparently it shall amount to a massive record. The Commission feels that it shall not be in overall public interest to ask the respondents to take on in such a tall job to Xerox thousands copies of pages. It is desirable that inspection of the record should be resorted to at a mutually convenient date and time to both the parties. The appellant shall identify the documents but not beyond 200 pages which has been agreed upon by both parties and respondents shall arrange to provide certified copies within fifteen days from today positively under intimation to the Commission.

The matter shall be reconsidered on **13.03.2019 at 11.30 AM through video conferencing at Hoshiarpur.**

**Order**

**The case has been heard through video conferencing.**

The Commission had made following observations on 20.11.2018:

*“Sh. Karandeep Singh, BDPO, Makhu, Tehsil Zira is present. He submits that he has recently joined. He assures to arrange the transfer of information expeditiously. Sh. Sukhdev Singh, Panchayat Secretary, is also present. He undertakes to provide the information without further loss of time.*

*The Commission takes serious note of inordinate delay that has already taken place. Besides advising them to provide the information, they are desired to explain the delay.”*

The case has come up today. Sh. Tarun Jhatta, who is present in the court in person, submits that the information provided to him in compliance with the orders of the Commission is very sketchy and does not conform to his original application. Sh. Sukhdev

Singh, who is available in the studios of PAWAN in O/o Deputy Commissioner, Ferozpur, submits that the information according to him is in keeping with the original application. The Commission feels that it shall be appropriate to allow an inspection of the record sought for. The provision of it in its entirety shall be quite onerous for the public authority. It is directed that the respondent shall allow the inspection of the record by complainant on 23.01.2019 at
