ORDER:

The case was first heard on 27.06.2019. The Commission observed that the information has been denied by the PIO vide letter dated 28.09.2018 stating that the information is 3rd party. The First Appellate Authority disposed off the appeal and informed the appellant vide letter dated 25.01.2019 that at the time of installation of poles, there was no public way and no-one had raised objection. Further, if anybody has objection and wants to shift the poles, they can apply as per procedure alongwith the processing fee.

The appellant said that it was marked as Rasta in the record. The appellant was directed to submit proof that this was marked a Rasta and the electricity department has wrongly installed the poles.

The case was last heard on **16.10.2019**. The appellant submitted a copy of map as a proof of Rasta marked in the record which was taken on the file of the Commission. The respondent was absent. The PIO was directed to provide the information before the next date of hearing.

ORDER:

This order should be considered in continuation to the earlier order.

On the date of hearing on **01.07.2019** the appellant pleaded that though he has received the information but with a delay of one year and four months. The appellant claimed that he has been harassed a lot for not providing the information by the PIO in time and hence the PIO be penalized and he be compensated.

This was the 6th consecutive hearing that the PIO-RTA was absent despite many orders of the Commission, nor sent any reply to the show cause. Showing utter disregard for the Commission's repeated orders to provide the information as well as not replying to the show cause and not appearing before the Commission, a penalty of Rs.25000/- was imposed upon the PIO-RTA Sangrur which was to be deposited in the Govt Treasury.

The PIO-RTA Sangrur was also directed to pay an amount of Rs.2500/- via demand draft as compensation to the appellant for the loss and detriment suffered by him of having to file the appeals and not getting the information in time. The PIO was directed to duly inform the Commission of the compliance of the order and submit proof of having compensated the appellant.

Further the PIO was also rendered liable under section 20(2) of the RTI Act and it was recommended to the Disciplinary Authority to issue a charge sheet to the PIO-RTA Sangrur for violation of the provisions of the RTI Act and send a copy to the Commission.

The case was last heard on **16.10.2019**. The PIO-RTA was present. The respondent pleaded that the delay in providing the information has occurred at the level of the clerk who did not put up the files on time. The PIO was directed to file an affidavit in this regard on the next date of hearing.

Hearing dated 10.12.2019:

The appellant is absent and vide email has sought exemption. The appellant in the same email has informed that the PIO has not provided the compensation amount as per order of the Commission.

At the last hearing, the respondent pleaded that the delay in providing the information had occurred at the level of the clerk who did not put up the files on time. The PIO was directed to file an affidavit in this regard.

The respondent has submitted an affidavit which is taken on the file of the Commission. Having gone through the merits of the affidavit, the action under section 20(2) recommended to the Disciplinary Authority to issue a charge sheet to the PIO-RTA Sangrur is withdrawn. However, the action under section 20 remains the same to realize the penalty amount of Rs.25000/-. The PIO is directed to duly inform the Commission of the compliance of the order by producing a copy of the challan justifying the deposit of penalty in the Govt Treasury. The PIO is also directed to submit proof of having compensated the appellant.
