The information regarding point 'B' of the RTI application has been provided to the appellant by the PIO. The appellant stated that he is satisfied with the information regarding point 'B', but no information has been provided to him by the PIO regarding point 'A' of the RTI application.

I have gone through point 'A' of the RTI application and the appellant sought copy of DDR/FIR regarding theft of office register of Civil Surgeon, Pathankot. This information does not pertain to the office of the Civil Surgeon, Pathankot rather it is part of the concerned police station. In case the appellant wants to get this information, then he should file RTI application before the concerned police station.

With this observation the present appeal case is **disposed of and closed.**
