**AC No. 3671 of 2018**

passed by the Bench of Sh. Nidharak Singh Brar State Information Commissioner in similar Appeal Case No. 3817 of 2018 of this appellant.

6. This case was earlier heard on 29.07.2020 and the respondents were directed to file point wise specific reply in respect of the RTI application. The same has been furnished vide no. 2994/VB/S-14 dated 09.09.2020 which is taken on record. Perusal of this reply shows that the appellant is filing false complaints to pressurize the Vigilance Officers to hinder the action been taken against him. It has been very clearly mentioned that no enquiry relating to this FIR is pending with the Vigilance Bureau and the challan of this case has been presented in the Court on 30.07.2018 and the next dated of hearing is 26.10.2020 in the Court of Additional Session Judge Mansa.

7. In view of the submissions made by the respondents and the documents available in the case file, it transpires that clerical mistake has occurred in the order dated 11.03.2019 passed by Sh. Ajit Singh Chanduraian SIC because the respondents had never intimated the Commission that inquiry is pending in this case. Therefore this order requires modification and the same is accordingly modified to the extent that the supply of information sought by the appellant can hamper the prosecution of the case and as such the respondents have rightly denied the information under Section 8(h) of the RTI Act, 2005. Moreover, the Reply submitted by the Respondents has been examined and found to be satisfactory. Further, the appellant has also been intimated accordingly, therefore no further action in this case is required and the case is **disposed of and closed**. Copy of the orders be sent to the parties.
