APPEAL CASE NO. 3394 OF 2020

4. After going through the reply of the PIO, it is ascertained that the appellant has already been in possession of the requisite information. The Bench also observes that the appellant instead of depositing fee as demanded by the PIO, has preferred Appeal wrongly stating that the fee was to be demanded within 10 days which is in fact 30 days.

5. After perusal of the case file, the Bench observes that sufficient information/reply has already been supplied to the appellant. As the Appellant is absent and nothing has been heard from him regarding the receipt of information, it is presumed that he is satisfied with the response provided by the PIO. However, the appellant is advised to file fresh RTI application if anything is left in above said matter.

6. In light of the above, no useful purpose, therefore, would be served in continuing with proceedings further. Hence, this Appeal Case is **disposed of and closed**. Copies of the order be sent to the parties.
