ORDER

This order may be read with reference to the previous order dated 04.08.2021

2. The appellant is absent today.
3. The respondent states that the information is lying with the PIO, o/o Food Safety and PIO, o/o Civil Surgeon, Mohali. She further states that they have collected the information from the concerned departments and sent the same to the appellant.
4. From the perusal of the information, it is clear that the information demanded by the information seeker relates to PIO, o/o Food Safety, Mohali and PIO, o/o Civil Surgeon, Mohali. Each of these authorities has also separate PIOs. Under-section 6(1)(a) a person seeking information has to apply to the concerned public authority. It is not the job of one PIO to collect and thereafter collate this information from different PIOs of different Public Authorities and then supply the same to the appellant. Appellant may note that there is a clear mention in the orders of former CIC in CC: 05 of 2010 which is reproduced as under:-

"that this obligation under Section 6 of the Act is to transfer the application to 'that other public authority' and not to public 'authorities'. The expression used in Section 6 is 'authority' and not 'authorities'. Simply put, the PIO is expected to transfer a request which does not relate to him but has nevertheless been received by him, one identifiable authority. He is not expected to transfer such a request if information is held by many or a number of authorities. The rationale is that a PIO is not a post office or a coordinator for forwarding requests from information seekers to various departments. Legislature has

merely facilitated the information seekers by empowering PIO who inadvertently receives request pertaining to another PIO to forward it to the concerned PIO".
