4. Respondent Ms. Rajbir Kaur stated that:

The way the appellant files number of applications repetitively and contending that he has a right to do so, shows he is bent upon harassing the public authority, without any concern for wastage of public time he is causing by his repeated applications and appeal.

5. The Commission observes that any **repetition of a RTI application or adding one or two points to the already sought information via previous RTI application would cause waste of time and energy of the Public Authority & the Commission, which is unreasonable as the appellant is already holding the information given to his earlier application.**

Therefore, the Commission advises the appellant, to restrain himself from abuse by repetition of a RTI application. The Commission finds that the RTI application has been suitably replied and the information has been supplied to the best extent. Moreover, the factual position has been brought to the notice of the appellant by the respondent.

Therefore, no cause of action is required in this case. Hence, the instant appeal case is **disposed & closed.**
