**Appeal Case No. 3344 of 2020**

**PRESENT:   None for the appellant**  
**Dr.Renu for the Respondent**

**ORDER:**

The appellant through the RTI application dated 03.07.2021 has sought information under Life and Liberty regarding action taken on his email and application dated 08.06.2021 to the Chief Medical Officer, Mohali. The appellant was not provided with the information after which the appellant filed the first appeal before the First Appellate Authority on 19.07.2021 which took no decision on the appeal.

On the date of first hearing on 02.08.2021, the appellant claimed that the PIO has not provided the information. The respondent was absent.

The PIO was directed to provide whatever action has been taken on the above-mentioned email and application (dated 08.06.2021) of the applicant and provide the information to the appellant within 48 hours with a copy to the commission.

**Hearing dated .16.08.2021:**

The case has come up for hearing today through video conferencing at DAC Mohali. The respondent present pleaded that the appellant has asked for corrigendum in registration certificate dated 21.02.2014 which as per record was not issued by their office. After having gone through the record of SDH Dera Bassi and Civil Hospital Mohali, it was found that the appellant had applied for certificate on wrong portal (UDI) whereas it should have applied on the National Trust Portal. As per the respondent, the matter was personally discussed on 04.08.2021 with the appellant and the appellant is satisfied with the reply.

The appellant is absent.

Since the matter has already been discussed by the PIO with the appellant and a fresh legal guardianship certificate has been applied on the appropriate portal, the matter stands resolved.

No further course of action/interference is required at the Punjab State Information Commission's end.

The case is **disposed of and closed.**
