Appeal Case No. 3372 of 2019

6. After hearing both the parties and examining the case file, it is clear that the appellant has demanded information on eleven points. Respondent has provided information on point nos. 1,2,3,4,5,7,8,10 and 11. Information pertaining to point nos. 5, 6 and 9 is third party information, therefore, cannot be provided to the appellant.

7. The application for seeking information is entirely devoid of public interests. The appellant may take note that the information sought by him on point nos. 5, 6 and 9 cannot be provided to him being a personal information which is exempted under Section 8(1)(j) of the RTI Act. Hon'ble Supreme Court of India in SLP no. 27734 of 2012 titled Girish Ramchandra Deshpande Vs Cen. Information Commr. & Ors and another in its order on 03.10.2012 has held as under:-

(13. We are in agreement with the CIC and the courts below that the details called for by the petitioner i.e. copies of all memos issued to the third respondent, show cause notices and orders of censure/punishment etc. are qualified to be personal information as defined in clause (j) of Section 8(1) of the RTI Act. The performance of an employee/officer in an organization is primarily a matter between the employee and the employer and normally those aspects are governed by the service rules which fall under the expression "personal information", the disclosure of which has no relationship to any public activity or public interest. On the other hand, the disclosure of which would cause unwarranted invasion of privacy of that individual. Of course, in a given case, if the Central Public Information Officer or the State Public Information Officer of the Appellate Authority is satisfied that the larger public interest justifies the disclosure of such information, appropriate orders could be passed but the petitioner cannot claim those details as a matter of right).

8. Accordingly this Appeal Case is hereby **disposed of and closed**. Announced in the Court. Copy of the order be sent to the parties.
