**ORDER:**

Today both the parties are present.

2. The appellant reiterates his earlier stand that he has pointed out deficiencies in the provided information but the respondents have not supplied the information, as per deficiencies pointed out by him, till date.

3. The appellant further submits that he submitted his RTI application with the respondent-PIO on 06-04-2018 and almost 11 months have passed since then. The respondents have not supplied the complete information. He requests the court to award him a compensation for the loss and detriment suffered by him during this period.

4. A perusal of case file reveals that in all six hearings that have been held till today, the appellant has attended all the hearings at Chandigarh. The respondents have not supplied the complete information despite the fact that he has pointed out deficiencies in the provided information.

5. After going through the facts available on the record and in view of the request of the appellant for awarding him a suitable compensation, it is true that complete information has not been supplied to the appellant after 11 months.
