APPEAL CASE NO. 4495 OF 2021

3. The case has been heard today. The Appellant is absent for today's hearing before Bench. However, he has emailed to the Bench stating therein that his case be transferred to some other Bench. I have gone through the contents of email, in which, the reasons for transfer of case are not substantial. To deal with such kind of transfer applications various courts have held:-

"Hon'ble Allahabad High Court in Application No.111257 of 2014 in C.M.W.P. No.5822 of 2014 dated 27.3.2014 "held that the application is thoroughly improper and lacking in substance. Such uncalled for aspersions against the Bench must be deprecated". Rejected."

4. Against the above said order of the Division Bench one of the respondents moved SLP in the Hon'ble Supreme Court of India on 10.3.2014 that the Presiding Judge of D.B. should recuse himself from the case. The Hon'ble Supreme Court declined the request for transfer as well.

5. Hon'ble Supreme Court in **Jaswant Singh vs. Virender Singh 1995 Supp (1) SCC 384** has also held that "it is most unbecoming for an advocate to make imputations against the Judge only because he does not get the expected result, which accordingly to him is the fair and reasonable result available to him. Judges cannot be intimidated to seek favourable orders...."

6. In a subsequent decision in **Chetak Construction Ltd. V. Om Prakash and others, (1998) 4 SCC 577**, the Supreme Court while adverting to these observations held thus:

"Indeed, no lawyer or litigant can be permitted to browbeat the Court or malign the presiding officer with a view to get a favourable order. Judges shall not be able to perform their duties freely and fairly if such activities were permitted and in the result administration of justice would become a causality and rule of law would receive a setback."

APPEAL CASE NO. 4495 OF 2021

The Judges are obliged to decide cases impartially and without any fear or favour. Lawyers and litigants cannot be allowed to "terrorize" or "intimidate" Judges with a view to "secure" orders which they want. This is basic and fundamental, and no civilized system of administration of justice can permit it. We certainly, cannot approve of any attempt on the part of any litigant to go "forum-shopping". A litigant cannot be permitted "choice" of the "forum" and every attempt at "forum-shopping" must be crushed with a heavy hand."

7. Keeping in view, the contents of transfer application, facts of the case and case law on the subject, the transfer application is rejected. The Appellant is directed to desist from making such transfer applications.

8. The Respondent appears in person and states that the information sought by the appellant regarding a complaint lodged by him at Police Station Jagraon City under Miscellaneous Complaint No. 684/5/DF, 22.06.2014, as per the record of which there was an oral agreement between the two parties but the original record could not be found on records.

9. In view of the above, the instant Appeal case is **disposed of and closed** with a direction to the PIO that if the record is not traceable then he should file a missing report and be sent to the appellant, under intimation to the Commission. Copies of the order be sent to the parties.
