2. The appellant Sh. Iqbal Singh Rasulpur states that incomplete information
has been given to him so far.

3. The respondent Sh. Dilbar Singh is appearing on behalf of the respondent
no. 2 and states that the information demanded on letter no. 1405/C.B.-2(crime)
dated 18.04.2019 is lying with their department (i.e. only one point) . He further
states that he has brought the same in the Commission office.

information has to apply to the concerned public authority. It is not the job of one PIO to collect and thereafter collate this information from different PIOs of different Public Authorities and then supply the same to the appellant. Appellant may note that there is a clear mention in the orders of former CIC in CC: 05 of 2010 which is reproduced as under:-

"that this obligation under Section 6 of the Act is to transfer the application to 'that other public authority' and not to public ' authorities'. The expression used in Section 6 is 'authority' and not 'authorities'. Simply put, the PIO is expected to transfer a request which does not relate to him but has nevertheless been received by him, one identifiable authority. He is not expected to transfer such a request if information is held by many or a number of authorities. The rational is that a PIO is not a post office or a coordinator for forwarding requests from information seekers to various departments. Legislature has merely facilitated the information seekers by empowering PIO who inadvertently receives request pertaining to another PIO to forward it to the concerned PIO".

5. Information related to the office of BOI is taken on record. The appellant can collect the same from the Commission office on any working day. Regarding another information, the appellant is advised to file fresh applications with concerned PIOs.

6. In view of the foregoing, no cause of action is left, hence the appeal case filed by the appellant **is disposed of and closed**. Copy of the order be sent to the parties.
