**COMPLAINT CASE No. 1009 of 2018**

The Commissioners have no jurisdiction to pass an order providing for an access to the information. As such, since the complainant has approached the Commission under the provision of Section 18 of the RTI Act, 2005, no directions for providing further information can be given by the Commission.

Since there is an alternative and efficacious remedy of first appeal available to the Complainant under section 19 (1) of the RTI Act, 2005, which has not been availed in the instant case and the First Appellate Authority has not had the occasion to review the decision of the PIO, as envisaged under the RTI Act by passing a detailed well reasoned speaking order.

In the complaint cases, it is to be seen whether the intention of the respondent-PIO is clear or not. In this case the complainant has filed his RTI on 08.05.2018, the first reply was sent to the complainant vide letter dated 23.05.2018 and there is no too much delay. However, Respondent-PIO is warned to be careful, in future.
