APPEAL CASE NO. 2701 OF 2019

6. Hon'ble Supreme Court of India in SLP no. 27734 of 2012 titled **Girish Ramchandra Deshpande Vs Cen. Information Commissioner & Ors** and another in its order on 03.10.2012 has held as under:-

(13. We are in agreement with the CIC and the courts below that the details called for by the petitioner i.e. copies of all memos issued to the third respondent, show cause notices and orders of censure/punishment etc. are qualified to be personal information as defined in clause (j) of Section 8(1) of the RTI Act. The performance of an employee/officer in an organization is primarily a matter between the employee and the employer and normally those aspects are governed by the service rules which fall under the expression "personal information", the disclosure of which has no relationship to any public activity or public interest. On the other hand, the disclosure of which would cause unwarranted invasion of privacy of that individual. Of course, in a given case, if the Central Public Information Officer or the State Public Information Officer of the Appellate Authority is satisfied that the larger public interest justifies the disclosure of such information, appropriate orders could be passed but the petitioner cannot claim those details as a matter of right).

7. In view of the above, no further cause of action is left in the instant Appeal Case, which is hereby, **closed and disposed off**. Copies of the order be sent to the parties.
