COMPLAINT CASE No. 1270 of 2018

5. The Complainant filed RTI application with the PIO on 28.03.2018 for certain information. He received a reply dated 03.04.2018 from the PIO, which he found unsatisfactory. The Complainant therefore filed a Complaint with the Commission on 14.12.2018 under Section 18 of the RTI Act.

6. The perusal of the file reveals that the complainant has not availed the provision of the Section 19(1) of the RTI Act by filing an appeal with the First Appellate Authority (FAA). As such the FAA has not been able to address the grievances of the Complainant.

7. It must be noted that there is an alternate and efficacious remedy of First Appeal available under Section 19(1) of the RTI Act. It appears that the Complainant has failed to avail the same in the instant case. Consequently, the First Appellate Authority (FAA) has not had the chance to review the PIO's decision as envisaged under the RTI Act.

8. In view of the aforesaid, the instant matter is remanded to the FAA. The Commission hereby directs the FAA to treat the copy of the Complaint (enclosed herewith) as the First Appeal and decide the matter in accordance with the provisions of the RTI Act after giving all concerned parties an opportunity to be heard.

9. The FAA is directed to peruse all the relevant documents during the hearing and examine whether the information provided by the PIO is complete, relevant and correct. Whereas FAA is satisfied that the information provided by the PIO is as per the records, the First Appeal shall be disposed of. In the event, there are any deficiencies in the information provided by the PIO, the FAA shall direct the PIO to provide the complete information in reply to the RTI application dated 28.03.2018 to the Complainant.
