2. Today, the appellant is absent. He has sent a letter vide which he demands to transfer his case.

4. After examining the case file, it is observed that the appellant filed RTI on 19.02.2018 and the appeal was allocated to the bench of SIC, Hon'ble Sh. Pawan Kumar Bansal. On the request of the appellant the appeal was transferred to Madam Viney Kapoor Mehra, former SIC. Then again on the request of the appellant Sh. Lajpat Rai Garg the appeal was transferred to the undersigned bench. The perusal of the file shows that complete information has already been provided to the appellant. Even today the respondent has brought copy of attendance register, but the appellant is absent. Today, again the appellant via an email has requested to transfer his appeal.

5. I have gone through the contents of letter. The reasons for transfer of case are not substantial. To deal with such kind of transfer applications various courts have held:-

*"Hon'ble Allahabad High Court in Application No.111257 of 2014 in C.M.W.P. No.5822 of 2014 dated 27.3.2014 "held that the application is thoroughly improper and lacking in substance. Such uncalled for aspersions against the Bench must be deprecated". Rejected."*

6. Against the above said order of the Division Bench in S.L.P. one of the respondents moved the Hon'ble Supreme Court of India on 10.3.2014 that the Presiding Judge of D.B. should recuse himself from the case. The Hon'ble Supreme Court declined the request for transfer as well.

7. Hon'ble Supreme Court in Jaswant Singh vs. Virender Singh 1995 Supp (1) SCC 384 has also held that "it is most unbefitting for an advocate to make imputations against the Judge only because he does not get the expected result, which accordingly to him is the fair and reasonable result available to him. Judges cannot be intimidated to seek favourable orders...."

8. In a subsequent decision in Chetak Construction Ltd. V. Om Prakash and others, (1998) 4 SCC 577, the Supreme Court while adverting to these observations held thus:

*"Indeed, no lawyer or litigant can be permitted to browbeat the Court or malign the presiding officer with a view to get a favourable order. Judges shall not be able to perform their duties freely and fairly if such activities were permitted and in the result administration of justice would become a causality and rule of law would receive a setback. The Judges are obliged to decide cases impartially and without any fear or favour. Lawyers and litigants cannot be allowed to "terrorize" or "intimidate" Judges with a view to "secure" orders which they want. This is basic and fundamental, and no civilized system of administration of justice can permit it. We certainly, cannot approve of any attempt on the part of any litigant to go "forum-shopping". A litigant cannot*

*be permitted "choice" of the "forum" and every attempt at "forum-shopping" must be crushed with a heavy hand."*

9. Keeping in view, the contents of transfer application, facts of the case and case law on the subject, the transfer application is rejected. The complainant/applicant is directed to desist from making such transfer applications.

10. In view of the position stated above, the appeal is dismissed and closed. Copies of the order be sent to the parties.
